Summer STYLE GUIDE

Welcome to the latest in Summer Fashion!

Summer is that time of the year when you pack away your boots and jackets and break out the sundresses and sandals. This year, fashion designers are bringing us some exciting trends that will make every fashionista scream with excitement. From beachwear to everyday wear, these trends are made to help you enjoy the sun-kissed season in style. So, let's take a look at this year's top summer fashion trends.

Bold Print Dresses

A woman with dark hair and a flower in her hair is standing on a green metal staircase. She is wearing a strapless, floor-length dress with a large, bold floral print in red, pink, and black on a light background. She is looking towards the camera with a slight smile. The background is a lush, green garden with many small pink flowers. The lighting is soft and natural, suggesting an outdoor setting.

This summer is all about bold prints. From floral to stripes to abstract designs, bold prints are here to stay.

Designers are creating dresses of all lengths and styles with these prints. So, this summer, ditch your plain dresses and add some fun prints to your wardrobe.

Denim Shorts

Denim shorts are a timeless summer fashion staple. However, this year, designers are taking it up a notch by adding some unique features to them. Think lace-up sides, fringe trims, and distressed details. Pair them with a cute crop top or a flowy blouse to get the perfect summer look.

Oversized Sunglasses

Oversized sunglasses are making a comeback this summer. The bigger, the better, as long as they complement your face shape.

Not only are they stylish, but they also protect your eyes from the harmful UV rays of the sun. So, go ahead and invest in a pair of oversized sunglasses that will elevate your summer look.

Sheer Cover-ups

A day at the beach is incomplete without a cover-up. This summer, sheer cover-ups are in trend. They are light, breezy, and perfect for a day out in the sun. You can choose from a variety of styles, including kaftans, kimonos, and sarongs.

Espadrilles

Espadrilles are a summer shoe favorite. They are comfortable, versatile, and can be styled with dresses, shorts, and even jeans. This season, designers are adding some unique elements to espadrilles, such as platform soles, ankle ties, and metallic finishes.

Woven Bags

Woven bags are a popular summer accessory, and this year, they are taking center stage. From totes to crossbodies, woven bags are available in various shapes and sizes. They add a touch of bohemian flair to any outfit and are perfect for storing your beach essentials.

This summer is going to be a season of fun, bold, and exciting fashion trends.

From bold prints to woven bags, these trends are perfect for a day out in the sun. So, get ready to embrace the sun-kissed style and make a statement with your summer wardrobe.
